

Albuquerque Bernalillo County Water Utility Authority

Construction Continuing on Churchill between Old Coors and 59th Street For Yucca Sewer Interceptor Project

NOTE: All construction is weather permitting and subject to change without notice.

Construction is continuing on the Albuquerque Bernalillo County Water Utility Authority's Yucca Sewer Interceptor Project, which is designed to help reduce sewer odors in your neighborhood and improve sewer flow. Construction on this project is expected to last through September 2017.

Continuing through February 2017 – Churchill Road from Old Coors to 59th Street

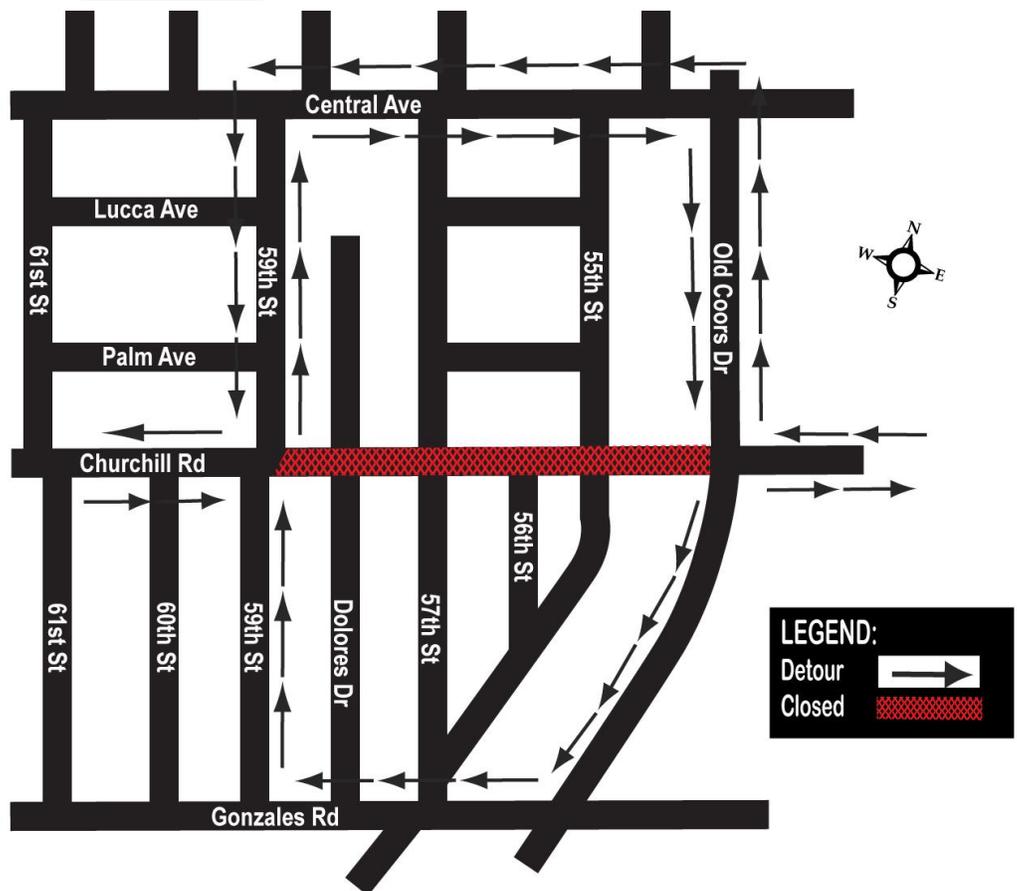

Crews will be installing new water lines and services on the south side of Churchill Road from 59th Street to Old Coors Drive. **LOCAL ACCESS WILL BE MAINTAINED FOR RESIDENTS AND BUSINESSES DURING THIS WORK AND LOCAL TRAFFIC WILL BE ALLOWED ON CHURCHILL. ALSO, RESIDENTS AND BUSINESSES WILL BE NOTIFIED IN ADVANCE OF ANY PLANNED WATER SHUTOFFS.**

Week of Dec. 5-9, 2016

Crews will remove part of the pavement in the center of Churchill to prepare for installing a new sanitary sewer line in the future. They will also begin tying in the new waterline on Churchill at 55th, 56th and 57th Streets as well as Dolores Drive.

Westbound and northbound traffic will be detoured to Old Coors Drive, then to Central, then to 59th Street. Eastbound and southbound traffic will be detoured to 59th Street, then Gonzales Road, then Old Coors Drive.

AUI is the contractor for the project. **Regular work hours will be Monday-Friday 7 a.m.-5 p.m.**, although crews may work longer hours or on weekends if needed.
